Birmingham: Then and Now® Todd Keith

A host of local landmarks as they once looked alongside the same viewpoint photographed today

A late arrival on the Southern landscape, the city of Birmingham was not incorporated until after the Civil War. In fact, from 1820 to 1871, what is now Birmingham was known as the hamlet of Elyton, a small crossroads set in the rolling foothills of the Appalachian Mountains where several Pony Express and stage routes crossed paths. When two railroads eventually intersected at this point—where, significantly, all the ingredients necessary to make iron existed in close proximity—the region's growth exploded. Birmingham's history is not a story of the grace and vanished grandeur of an antebellum past, but rather, a dynamic story of modern American industrialization. Sites covered include Hollywood, Alabama State Fairgrounds, Vulcan Park, Mountain Brook Village, The Old Mill, Avondale Park, Highland Park, Woodlawn High, Quinlan Castle, Five Points South, Bottega Favorita, Old Jefferson County Courthouse, Capitol Park, Tutwiler Hotel, Twentieth Street, Louise Wooster Brothel, Alabama Theatre, Kress Department Store, Joy Young Restaurant, Terminal Station, Molton Hotel, Lovemans, Massey Building, Bright Star, Temple of Sibyl, Sloss Furnaces, Red Mountain, and Legion Field.
