Bred For Love: The Prince's Consort (Volume 1) Revella Hawthorne

In a world where humans are genetically designed, altered and sold for pleasure and breeding, a young prince of the powerful Cassian Dynasty decides to take a mate and sire heirs. Not wishing to saddle himself with royal and meddlesome in-laws, and a wife he would have no desire to bed, Prince Edward goes to Heritage Breeders, and finds far more than just a warm body to carry on his lineage. Percy is the result of a master DNA architect designing himself his own personal slave and breeder. Yet when his creator and Master dies, leaving Percy alone at the mercy of the callous stable masters and the new owner of Heritage, he fears his future. Afraid he'll be bought by a wretched old man or a deviant monster, Percy is terrified when he is dragged from his cell and presented to the most prestigious client Heritage has ever welcomed...a Cassian Royal. Prince Edward is immediately infatuated with the shy, nervous and enchantingly beautiful Percy, and claims him for his own. Yet not everyone is pleased by a royal purchasing a breeder, especially one like Percy, and tensions rise both in Heritage and in the palace. Torn between need, duty, a king's command and the innermost desires of their hearts, Edward and Percy are set on path that is anything but easy. Can Percy trust Edward with his heart as he does his body? Can Edward keep an angry king and unseen enemies away from the young slave who is steadily stealing his heart? And what happens when Nature takes its course, and Percy's true purpose is fulfilled?
