International Film Guide 2011: The Definitive Annual Review of World Cinema Ian Smith

First published in 1963, *The International Film Guide* enjoys an unrivalled reputation as the most authoritative and trusted source of information on contemporary world cinema. Comprehensive international coverage is offered via a 'World Survey' section encompassing the output of over 90 countries. *The 2011 International Film Guide* offers an overview of trends and changes in global cinema across the last 12 months. Of interest to the industry, film enthusiasts and the casual cinemagoer, the guide provides summaries of all the major festivals and film markets. In addition to the core features that have continued to grow over the publication's 47 editions, special feature sections will look at important trends, and profile major figures in the film industry. It also includes comprehensive detailed information about dozens of the leading film festivals and listings of many festivals and markets of note. Written by expert local correspondents who present critical reviews assessing features, documentaries and shorts
