The Lenin Anthology

Vladimir Ilyich Lenin

The Lenin Anthology Vladimir Ilyich Lenin

Here, in a compact yet comprehensive volume, are the essentials of Lenin's writings, each of them introduced with a brief interpretive commentary.

Patterned after Professor Tucker's highly successful anthology *The Marx-Engels Reader*, this book includes those words necessary for an introduction to Lenin's revolutionary thought. Selections, where possible, are presented in their fullest form, and 'The State and Revolution' and 'Left-Wing Communism' in their entirety.
