The Peregrine's Journey: A Story of Migration

Madeleine Dunphy

The Peregrine's Journey: A Story of Migration Madeleine Dunphy

The Peregrine's Journey vividly describes one of the most remarkable feats in the animal kingdom. Beginning in Alaska and ending two months later in Argentina, the peregrine falcon's annual migration is an 8,000-mile flight across the Americas. This beautifully illustrated book allows young readers to follow one bird on its journey. Based on the actual migration of a real bird that was tracked by the U.S. Fish and Wildlife Service, the book is filled with amazing facts about the bird's diet, habits, and navigational abilities, as well as stunning views of the many habitats the peregrine visits along the way.
