Ashlyn Greenfield has always known when bad things are going to happen. Each time that familiar tingling at the back of her neck begins, she knows what's to come—na trance. She's pulled in, blindsided, an unwilling witness to a horrible upcoming event. But she's never been able to stop it—not even when the vision was of her mother's fatal car accident. When soulful Jake enters Ashlyn's life, she begins having trances about another car accident. And as her trances escalate, one thing becomes clear: it's up to her to save Jake from near-certain death.
