This booklet has been inspired by my wife and daughter, my wife owns STAMPS INK, the largest rubber stamp store in the Omaha area that also carries a full line of products for scrapbookers. My daughter is active in the business as well, and both came to me with the idea of writing a book on photography (in layman's terms) to help people take better pictures. Apparently there is a need for this as they have both indicated that many scrapbooks are making beautiful books with not so beautiful pictures. With over 30 years experience in professional photography, I thought, "Why not? This will be fun." So I hope the following will be helpful to you. The chapters on "Scrap booking Tips" were written for the most part by our in-store scrap-booking guru Teresa McFayden. Teresa has extensive scrap-booking experience.
