FOR THE GOOD OF THE MIND AND SOUL; pro salute anime; I have created these pages in effect for the sake of providing the evidence. Any sequence toward pure evidence which leads me to the affirmation of the circumstance of self is a good enough proposition for creating period. I do not have to be prodded or even persuaded by any outside party to design and then deliver something which I can refer to further on as an exhibition. This exhibition is the culmination of the reality of at least part of my mind and soul, and the combined conviction to go on to that next likely place for more subtle experience. Kaleidoscope of Haiku includes a sequence of pictorial prose with poetry of events and experiences.
