Quilted Memories: Journaling, Scrapbooking & Creating Keepsakes with Fabric Lesley Riley

Scrapbooking and quilting are each two-billion-dollar industries.

Combine the two crafts and you've got a collection that will fly off the shelves.

A scrapbook gets put away; a quilt goes on display--perhaps framed and hung on the wall, or draped over the couch, placed right where everyone can see it. These 24 original quilts incorporate the same treasured photos and memorabilia that normally go into a scrapbook, but in a unique and unusual format. And they're fun to make too, thanks to the many innovative techniques that are both easy for a beginner to master and excitingly new to the experienced quilter. Direct print favorite pictures on fabric with an inkjet printer. Arrange images on the quilt to tell a story. Tea-dye material to make it will look antique, creating a perfect background for those vintage photos. Extensive opening sections on art and design basics provide a plethora of invaluable tips, from how to mix and match colors to how to use pattern and texture. (There's even a list of the 10 most common composition mistakes.) Quilters, collage artists, scrapbookers, and those who work with mixed media and assemblage will be thrilled at the abundance of breathtaking ideas on these pages.

Rita Beatty:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring

in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Quilted Memories: Journaling, Scrapbooking & Creating Keepsakes with Fabric can make you really feel more interested to read.
