Laurel Burch

Smythe Sewn Spirit of Womankind Midsummer Night's Dream Lined Laurel Burch

Drawing upon the uncanny imagination of San Francisco artist Laurel Burch, we have created this book to honor the spirit of womankind. With vibrant colors and gold and silver foiling, this cover is alluring to the touch and boasts an intriguing new flap design. The magnetic flap is cut into a triangular shape which partially hides the image on the front cover. With the flap closed, viewers are treated only to a seductive glimpse of the woman's face. When the cover is opened the full image in all its power is revealed.
