Craig Bartlett-Taylor was always trying to kill himself, but when he took an overdose at the back of Mrs Kenna's classroom, Richie thought he'd finally succeeded: it was a real-life Worst Case Scenario. But then the new kid, Freddy, steps in and saves Craig's life, and for Richie the lure of this mysterious newcomer is irresistible. Freddy is like nobody Richie has ever met. Dark, sardonic, and dangerous, he gives flight to Richie's imagination, introducing him to a way of life he'd never thought possible. But when a night-time prank goes gut-wrenchingly wrong, Richie begins to question Freddy's motives, and all too soon he finds himself committed to a sinister pact, with inescapably tragic consequences. It's true that Freddy saved a life—but could he take one, too? With great wit and an unflinching eye for the muddle and drama of adolescence, *The Suicide Club* is a pitch-perfect portrait of teenage disaffection that sets boy against boy, imagination against reason—and, ultimately, life against death.
