Grazyna Borkowska, G Borkowska

Alienated Women: A Study on Polish Women's Fiction, 1845-1918 Grazyna Borkowska, G Borkowska
This pioneering book is one of the most comprehensive and well-researched studies on nineteenth-century Polish women prose writers, such as Hoffmanowa, Zmichowska, Orzeszkowa and Nalkowska. Borkowska's approach of major feminist theories and post-feminist thought results in astonishing findings that throw new light on Polish women writers and their contribution to European thought.
