Grace Runyon has a secret.

Just like her aunt, and her grandmother before her, she could fix anyone with a touch, at a cost she never questioned -- until her husband developed cancer and died. Believing no one would forgive her for not being able to save him, Grace runs from the life she knew, hoping even God wouldn't find her in a little out-of-the-way town in Michigan. It takes a very sick man and his little boy to help her face her past, accept who she is and battle her way back to redemption. Just when she and Ted begin to hope for the future, he relapses. Grace faces the ultimate choice once again: Trust God to work through her precious gift, or let a terminally ill man die. What if the price is more than she can pay?
