International Turf Management David Aldous

Many leisure activities involve the use of turf as a surface. Grass surfaces on golf courses, bowling clubs, cricket pitches, racetracks, and parks all require maintenance by trained personnel.

International Turf Management Handbook is written by a team of international experts. It covers all aspects of turf management and in particular

- * the selection and establishment of grass varieties
- * soils, irrigation and drainage
- * performance testing and playing qualities
- * issues relating to specific playing surfaces

In its depth of coverage and detailed practical advice from around the world this comprehensive handbook is destined to become the standard reference work on the subject.
