It's hard finding beauty in the badlands of Washokey, Wyoming, but 14-year-old Grace Carpenter knows it's not her mother's pageant obsessions, or the cowboy dances adored by her small-town classmates. True beauty is wild-girl Mandarin Ramey: 17, shameless and utterly carefree. Grace would give anything to be like Mandarin. When they're united for a project, they form an unlikely, explosive friendship, packed with nights spent skinny-dipping in the canal, liberating the town's animal-head trophies, and searching for someplace magic. Grace plays along when Mandarin suggests they run away together. Blame it on the crazy-making wildwinds plaguing their Badlands town. Because all too soon, Grace discovers Mandarin's unique beauty hides a girl who's troubled, broken, and even dangerous. And no matter how hard Grace fights to keep the magic, no friendship can withstand betrayal.

From the Hardcover edition.

From reader reviews:

Jesse Linder:

Book is written, printed, or illustrated for everything. You can understand everything you want by a guide. Book has a different type. As it is known to us that book is important issue to bring us around the world. Close to that you can your reading proficiency was fluently. A guide Like Mandarin will make you to be smarter. You can feel more confidence if you can know about almost everything. But some of you think this open or reading the book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you searching for best book or suited book with you?

Tracey Cook:

What do you think of book? It is just for students since they're still students or this for all people in the world, the actual best subject for that? Just you can be answered for that problem above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't need do that. You must know how great as well as important the book Like Mandarin. All type of book would you see on many methods. You can look for the internet resources or other social media.

Tanya McNeil:

As people who live in the modest era should be revise about what going on or details even knowledge to make these keep up with the era that is always change and move forward. Some of you maybe will certainly update themselves by reading books. It is a good choice for yourself but the problems coming to you actually is you don't know which you should start with. This Like Mandarin is our recommendation so you keep up with the world. Why, since this book serves what you want and want in this era.

Allison Lyon:

Do you like reading a book? Confuse to looking for your best book? Or your book was rare? Why so many concern for the book? But virtually any people feel that they enjoy to get reading. Some people likes reading through, not only science book and also novel and Like Mandarin or maybe others sources were given understanding for you. After you know how the great a book, you feel would like to read more and more. Science e-book was created for teacher as well as students especially. Those publications are helping them to increase their knowledge. In other case, beside science reserve, any other book likes Like Mandarin to make your spare time a lot more colorful. Many types of book like this one.
