Machinima: The Art and Practice of Virtual Filmmaking (Paperback) - Common By (author) Donald Pettit By (author) Phylis Johnson
Unlike traditional animation techniques that use specialized 3D animation software, machinima --a term derived from the words "machine" and "cinema"--records the action in real-time interactive 3D environments, such as those found in video games, to create a cinematic production. No longer solely the province of hard-core gamers, machinima has become central to the convergence between animation, t
