"Now I Lay Me Down...The Owner's Manual for the Dying Patient, Their Caregivers and Their Loved Ones" was written to help those with a terminal illness, and those who care for them, to improve the quality of their physical and spiritual life. It also gives guidance to the loved ones after death. During Mrs. Stringer's work as a hospice nurse she came to realize the importance of an open and honest relationship in the last months and days of a person's life. This is reflected in the book, as she has condensed an enormous amount of information in a straight-forward, easy to understand guide, while remaining sensitive and compassionate.
