This book is written with the intent to educate and entertain. It neither advocates nor denounces sports gambling. Most books on this subject tend to be selfglossing, commercial or overly complicated. I wanted a book that is for everyone, from the novice who wants to learn, to the pro who wants to refresh, and the addicted who wants to quit. The sports gambling world is growing and constantly evolving. People should be as aware and informed as they can be. The chapters of Terms and Definitions and Things You Must Know are especially important.
