The Big Fish does... (The Big Fish tails) (Volume 1) Mr Mike Williams

Remarried in 2004 Down-Under, this tale tracks the adventures of The Big Fish and his good lady on their travels to some exciting destinations, and some not so exciting ones. Not backpacking in places where they still point at aircraft. Not just a tale of one particular visit, but a colourful insight into what some may describe as a once in a lifetime adventure, along with some other places that will remain just once in a lifetime for other reasons. Caught up overseas during that bloody volcano in Iceland, sailing serenely down the Nile, crossing the Atlantic Ocean in boats, the All-Inclusive experience, the good old US of A and City-Breaks; they all take a hit with some barbed comments as The Big Fish has a different take on the usual grandiose waffle served up in the brochures. Using some of his reviews from the Tripadvisor and CruiseCritic websites as a basis for some of his tales, The Big Fish takes you on an enthralling journey, giving a colourful account of his travels and firing light-hearted broadsides at so many targets. The Big Fish does... and having done so, he'd like to share it with you.
