## **Tiananmen Ascending: (The Dragon Proxies, Volume 1)** Britt Alan

Navy SEAL sniper Cam Nite knows something isn't right when he watches a gigantic recreational vehicle pull onto the Francis Scott Key Memorial Bridge in Washington, DC. His concern escalates when he sees five more follow. The resulting blast tells him his gut is right. The bridge is gone—and the United States is plunged into a power dispute it didn't see coming.

The terrorist attack Cam witnesses is just the beginning, as Iran's Quds Force carries out suicide bombings across Washington, DC. What he doesn't yet realize is the attack is connected to the Iranian Deputy Commander of the Quds Force, General Hamedani and a high-ranking Chinese NOC agent, Xi Gang, who orchestrated the crippling strike against America. China, threatened by its precipitously declining natural resources and troubled economy, seeks to knock the United States out of its world leader status—and in Iran finds the perfect partner to realize its ambitions.

Author Britt Alan's political thriller, *Tiananmen Ascending*, is a masterful novel that warns of the threat of unchecked Chinese regional aggression as it attempts to increase its power and position. Geopolitical intrigue meets with action in this contemporary novel that draws from current events.
