## **At the Top Of the Toboggan Hill** Amy Freigruber

At The Top of The Toboggan Hill was written to express to others what life is all about. Although there has been a lot of sadness in my life and those closest to me, there will come a time and place that someday people may be able to look at the experiences they have had and be thankful for them. Although pain, either emotional or physical, may hurt for sometime, it is our overall attitude and choice to change the negativity around us. Regardless of what had occurred in life, we do have the ability to change and accept what has occurred. I am blessed and thankful for all the people who are in my life and for those who are no longer a part of my life. I truly believe that the experiences I have had, have made me who I am today. I would not change a thing.
