Kindle bestseller in US Travel.

The Great Divide is America's premier long distance mountain bike route. It is the longest unbroken mountain bike route in the world and was included in National Geographic's list of the 50 most amazing places on earth. The route makes its way 2500 miles from Canada to Mexico as it crisscrosses the Continental Divide. Metcalfe and his riding buddy JK are mountain bikers, and *Dividing the Great* is the hilarious account of their journey as they attempt to complete the route in their own record time. **Amazon reviews:**

‘Couldn't put this down. John Metcalfe does one of the hardest cycle routes in the world without complaining.’

‘Just finished reading *Dividing the Great* on my new Kindle, absolutely loved the book, well written and very witty.’

‘This is a fun ride! Filled with poignant and astute descriptions that almost make John and JK's great bike ride into a cinematic experience, this book combines sharp writing with an even better story...Read it on a balmy Sunday afternoon with a pitcher of something cool... you won't be disappointed.’

‘The author is a great story teller who weaves the daily accounts of the journey with his friend JK, with a range of social, economic, historical and geographical facts...Equally, the alpha male rivalry between John and JK helps maintain a subtle tension in the story until the final pages adding to the many layers in this well-crafted book. It's a great book that I found hard to put down. The light hearted account masks a seriously tough achievement.’
