Because we all know someone who needs help looking ...and believing it will happen. Her husband was growing increasingly discouraged because he didn't feel as though his job search was really going anywhere. An intelligent, competent, accomplished professional, but he didn't really know how to look for a job...in today's job market! (Chapter 8 - Get Understanding...Get Organized) Maybe you just finished school and ready or not, you have to find your first career position. Or perhaps after serving your company for almost twenty years, you were unexpectedly laid off. Or possibly you've been looking for more than a year, and its taking longer than you ever dreamed it would. These are daunting challenges...but they are not too big for God! Nobody likes looking for a job, and very few people are really good at it because it's something that most of us do only a few times in our life. Faith to Find a Job is for those times in your life when you need to refresh your job hunting skills and learn practically how to look for employment in today's job market. Rooted in a personal testimony and success story, Faith to Find a Job is the anatomy of an effective job search...the practical aspects, as well as, the biblical promises that bolster victorious faith. "My last job search took ten months and my testimony is that I was never discouraged." L.C. Brown-Bush

Discouragement is a job hunter's archenemy. It makes the process of looking for a job much more painfully than it has to be. Nevertheless, Faith to Find a Job can encourage you to hope, because... "Those who seek the Lord shall not lack any good thing." (Psalm 34:10) "As long as he sought the Lord, the Lord made him to prosper!" (2 Chronicles 26:5)"
