## Rebels Jeff Mann

Honorable Mention in the 2015 Rainbow Awards!

Poets have been responding in lyric to the bloody aspects of war since Homer's era, and the American Civil War, in its scale and ferocity, was unquestionably one of the bloodiest. In *Rebels*, acclaimed poet Jeff Mann ranges the battlefields where such destruction occurred: famous battles like Malvern Hill, Fredericksburg, Gettysburg, and Cold Harbor, and those lesser known, such as Scary Creek and Cloyd's Farm. In his travels, Mann muses on Southern heritage and the sufferings of the Confederate people, both soldiers and civilians. As he did in his popular Civil War-era novels, *Purgatory* and *Salvation*, Mann "queers" the War as few other writers have, examining the conflict from a gay man's perspective. In this fine edition, several of Mann's poems have been illustrated by artists, making this volume unique in the fields of both Civil War studies and contemporary poetry.
