(Please Note: This is the colour Version. Black and White is also available) The very first word in the Hebrew book of Genesis when placed alongside the ancient Hebrew pictographs reveals the crucifixion of the Messiah thousands of years before it took place. God encoded the identity of the Messiah within the pictographs, names and events recorded in the Old Testament in such a way that the message could only be accomplished by a Divine hand? This book reveals God as the author of the Old Testament with stunning evidence that only the most die hard sceptic will deny.
