Presenting Stress Free Food! Animal suffering is a thing of the past. Hipsters can now enjoy bacon without guilt. Thanks to a new miracle drug the cute little pig no longer feels a thing as she is led to the slaughter. The only problem? Once the drug enters the food supply anyone who eats it is infected. From fast food burgers to free-range organic eggs, eating animal products turns people into shambling brain-dead zombies - not even vegetarians are safe! In Portland, Oregon, vegans, freegans, abolitionists, hardliners and raw fooders have holed up in Food Fight, one of the country's premier vegan grocery stores at the vegan mini-mall. There they must prepare for their final battle to take back the city from the hordes of roaming undead. Will vegans filet the flesh-eaters or will they become zombie chow? When there's no more meat in hell, the vegans will walk the earth.
