Un-de-terred: Embracing Our Purpose, Facing Our Challenges Vicki Kloosterhouse Ph.D.

You'll never know WHO you are until you first understand WHOSE you are. Have you found your purpose? Do you think too little of yourself and God's destiny for your life? Are you sidelined by self-limiting beliefs? Until you understand who you were created to be, you'll struggle with dissatisfaction and discouragement. Living an un-de-terred life is not only a possibility; it's also a reality for every woman who understands and embodies her role as an image-bearer. Beginning with the creation story, UN·DE·TERRED explores our true identity. Weaving in the latest neuroscience, author Vicki Kloosterhouse showcases how God has designed every woman to fulfill her divine calling. Integrating her own story as a backdrop, as well as stories from women around the world, Vicki identifies six self-limiting setbacks that threaten us from understanding and embracing our true purpose: • Overthinking • Lack of self-confidence • Relational aggression • Unforgiveness • Impatience with waiting • Searching for happiness instead of joy By unpacking the biological and cultural factors, which shape these setbacks, Vicki equips readers with practical strategies to overcome these challenges. We don't need to settle for being women uncertain about our identity. We can be un-de-terred and live lives of purpose and potential.
