White Cube Brecht Vandenbroucke

With few words and gorgeous style, a cartoonist takes aim at the hypocrisies of the art world

White Cube is the Belgian cartoonist and illustrator Brecht Vandenbroucke's debut book, a collection of mostly wordless strips that follow a pair of pink-faced twins as they attempt to understand contemporary art and the gallery world. Their reactions to the art they encounter are frequently comedic, as they paint over Pablo Picasso's famous mural *Guernica*, and re-create a pixelated version of Edvard Munch's *The Scream* after receiving one too many e-mails.

Lushly painted, these irreverent strips poke fun at the staid, often smug art world, offering an absurdist view on the institutions of that world?questioning what constitutes art and what doesn't, as well as how we decide what goes on the walls of the gallery and what doesn't.

Vandenbroucke's distinctive work blends the highbrow with the low, drawing equally from Gordon Matta-Clark's site-specific artwork and the Three Stooges' slapstick timing. With a knowing wink at the reader, Vandenbroucke continuously uncovers something to laugh about in the stuffiness and pretentiousness of the art world.

From reader reviews:

Byron Jorgensen:

This White Cube book is simply not ordinary book, you have after that it the world is in your hands. The benefit you obtain by reading this book is definitely information inside this publication incredible fresh, you will get information which is getting deeper you read a lot of information you will get. This specific White Cube without we recognize teach the one who looking at it become critical in thinking and analyzing. Don't always be worry White Cube can bring any time you are and not make your bag space or bookshelves' become full because you can have it in the lovely laptop even mobile phone. This White Cube having very good arrangement in word along with layout, so you will not truly feel uninterested in reading.

Ebony Thornton:

The reserve with title White Cube has a lot of information that you can study it. You can get a lot of gain after read this book. That book exist new know-how the information that exist in this e-book represented the condition of the world currently. That is important to yo7u to be aware of how the improvement of the world. This kind of book will bring you within new era of the internationalization. You can read the e-book on your own smart phone, so you can read that anywhere you want.

Edwin Ball:

Is it anyone who having spare time then spend it whole day through watching television programs or just lying on the bed? Do you need something new? This White Cube can be the reply, oh how comes? A book you know. You are and so out of date, spending your extra time by reading in this fresh era is common not a nerd activity. So what these publications have than the others?

Carol Wells:

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this White Cube can make you feel more interested to read.
