Outback Adventures (Adventure Series) Jim Cromarty

The outback in Australia is one of the wildest places there is, yet humans and animals survive in this hostile environment. Kangaroos, wallaby's, emus, all live and thrive alongside ranchers and merino sheep, swagmen and dingoes. In the shadow of the great Uluru or Ayres rock tourists and wild animals bake in the hot sun. People dig for gold and other treasures but the greatest treasure we can find anywhere is the word of God and the truth it tells us about God our Creator and our Saviour, Jesus Christ.
