They have little to do with the standard procreative urge, Mr. Crumb admits. He has also said he finds nothing more boring than someone else's sexual obsessions, and yet through his long career the world's most famous underground cartoonist has felt compelled to include his own sex fantasies in his art. He explains it as a compulsive catharsis, while fans call R. Crumb's erotic fantasies the Master at his best. Now Crumb has selected his most intimately revealing comic strips and single page drawings to create a 256 page encyclopedic trip through his sexual psyche. All images were created between 1980 and 2006, and all strips are colored for a lush vibrancy never seen in his comic books. In total, the book features 14 complete stories, including "My Troubles With Women II", "If I Were a King", "A Bitchin' Bod" and "How To Have Fun With a Strong Girl", as well as 62 single page drawings. This signed, slipcased, limited edition of 1,000 copies is a work of art in itself, with every part of the book - case, front and back covers, spine, introduction and pre-introduction pages - created for this project by Robert Crumb. Each book also comes with a print on mould-made age-resistant hahnemuehle paper pulled from an original watercolor by Robert Crumb. The artist admits it's a little scary to see his most fevered obsessions collected and to end like this, but fans will find R. Crumb's "Sex Obsessions" a fascinating peek inside an often tortured, always brilliantly talented mind, as well as an unparalleled collector's item.
