## **The Nazi Connection to Islamic Terrorism: Adolf Hitler and Haj Amin Al-Husseini** Chuck Morse

This is the remarkable story of Haj Amin al-Husseini who was, in many ways, as big a Nazi villain as Hitler himself. To understand his influence on the Middle East is to understand the ongoing genocidal program against the Jews of Israel. Al-Husseini was a bridge figure in terms of transporting the Nazi genocide in Europe into the post-war Middle East. As the leader of Arab Palestine during the British Mandate period, al-Husseini introduced violence against moderate Arabs as well as against Jews. Al-Husseini met with Adolf Eichmann in Palestine in 1937 and subsequently went on the Nazi payroll as a Nazi agent. Al-Husseini played a pivotal behind-the-scenes role in instigating a pro-Nazi coup in Iraq in 1941 as he urged Nazis and pro-Nazi governments in Europe to transport Jews to death camps, trained pro-Nazi Bosnian brigades, and funneled Nazi loot into pro-war Arab countries.
