*The Thick of It* is one of the funniest and most biting comedies on television. A satire on the inner workings of modern politics, it is chock-full of tales of elaborate spin-doctoring, bitter back-stabbing, and policy-making at its most outrageous. And yet, according to insiders, it's frighteningly close to the true workings of contemporary government. This exclusive collection of razor-sharp scripts and extras is a treat for fans and newcomers alike.
