He asked my Guide if I would have a dozen of Larks, because Baboons (one of which he took me to be,) loved to feed on them? I had hardly answered, Yes, when the Fowler discharged a Shot, and Twenty or Thirty Larks fell at our Feet ready Roasted. This, thought I presently with my self, verifies the Proverb in our World, of a Country where Larks fall ready Roasted; without doubt it has been made by some Body that came from hence. As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated.
