Carlos Huneeus

La democracia semisoberana: Chile después de Pinochet (Spanish Edition) Carlos Huneeus

Una minuciosa investigación sobre la gestión de los cuatro gobiernos de la Concertación de Partidos por la Democracia (1990-2010), caracterizada por el contraste entre el crecimiento económico y el debilitamiento del desarrollo político. Este se expresa en el desplome organizativo y electoral de los partidos, la pérdida de vigor de las asociaciones voluntarias y los grupos de interés, la caída de la participación electoral, la baja confianza en las instituciones y en las élites, y la mala imagen de la política y los políticos. Se ha establecido un tipo de democracia que limita los derechos de los ciudadanos y tiene una limitada calidad.
