## **Molly Rides the School Bus** Julie Brillhart

It's the first day of kindergarten, and Molly is worried. She's never been on a school bus, and she's afraid she won't know what to do. What if she has to sit with a big kid? Her mom assures her that big kids are nice, and riding the bus is fun. But Molly's not so sure. She brings her bear, Willy, along for comfort.

On the bus there are so many new faces. Molly walks down the aisle to an empty seat, only to discover that Willy is gone! Suddenly, she sees him flying through the air. Tossed from seat to seat, Willy finally ends up in the lost-and-found box. An older girl, named Ruby, fishes him out and returns him to Molly. During the rest of the ride, Ruby and Molly talk, laugh, and listen to music. Molly decides that big kids are nice and riding the school bus is fun.

#### Rosemary Lafleur:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Molly Rides the School Bus can make you sense more interested to read.
