Natalie Wood (Turner Classic Movies): Reflections on a Legendary Life Manoah Bowman

As a child actor who smoothly transitioned to adult stardom, Natalie Wood made an unforgettable impact on the world with her sensitive performances and her spectacular beauty. In a span of less than twenty years, her talent graced a dozen classics, including *Miracle on 34th Street*, *The Searchers*, *Rebel Without a Cause*, *Splendor in the Grass*, *West Side Story*, and *Gypsy*, earning her three Oscar nominations and two Golden Globes. Few actresses in Hollywood history have carved out careers as diverse and rich as Natalie Wood's, and few have touched as many hearts in a tragically short lifetime.

Natalie Wood: Reflections on a Legendary Life boldly redefines Natalie not by her tragic death, but by her extraordinary life. This is the first family-authorized photographic study of Natalie Wood, and the first book to examine her glamorous film career as well as her private off-screen life as a wife and mother. Highlights include a special section on the making of *West Side Story*, a foreword by her husband Robert Wagner, a family album with never-before-seen snapshots captioned by daughter Courtney Wagner, an unpublished article written by Natalie in her own words, and an afterword by friend and costar Robert Redford. *Natalie Wood: Reflections on a Legendary Life* will change the way the world remembers a Hollywood legend.
