Dino Buzzati

The Bears' Famous Invasion of Sicily (New York Review Children's Collection) Dino Buzzati

Dino Buzzati's classic tale chronicles the terrible winter that sent the starving bears down into the valley in search of food, as well as their struggles with an army of wild boars, a wily professor who may or may not be a magician, snarling Marmoset the Cat, and, worse still, treachery within their own ranks. Over all this, the bears triumph with bravery, ingenuity, humility, and high spirits.
