The Promise of Messiah: A Survey of the Major Messianic Prophecies Massimo Lorenzini

Messianic prophecy is one of the most powerful arguments for the truthfulness of the Christian faith. Messianic prophecy alone should be enough evidence to convince anybody that Jesus is the divine Messiah and that they should become a Christian. The Bible is so specific about the identity of the Messiah that one must have an a priori commitment to deny Jesus in order to not recognize him as God's Messiah. It is a puzzling fact that most Jewish people have not embraced Jesus as their promised Messiah. Why is that? The evidence is there for all to see, but some do not want to see it. Jesus did not match the profile of the conquering king the Jewish people expected, but that doesn't mean that Jesus doesn't match the ancient predicted profile we find in the Hebrew Bible. Rather, we find out that Messiah is both a suffering servant and a conquering king; two missions completed in two advents in one unparalleled person. This brief book examines the major messianic prophecies to uncover if Jesus did in fact fulfill the ancient promise of Messiah. Read it and discover for yourself the plain evidence that Jesus of Nazareth is indeed God's Messiah.
