Gordon Lipsky:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish.
