**An exquisitely illustrated original tale based on the mythical character reveals how Jack Frost earned his name**

There was once a group of trees that was fed up with living in a deep, dark, and crowded valley, so it moved to the enchanted forest. But as everybody knows, trees cannot walk without magic. This is the story of how Jack, the small boy with the frozen touch, wanders in to the forest and ends up saving the magic from the greedy goblins outside. Beautifully told, this is the perfect magical wintertime tale to become a winter classic.
