"The Lord won't give me more than I could handle" says mom and author, Catherine Green. This relatable and true story reassures single mothers that they're not alone in their journey-issues such as: playing the role of mom and dad, money (or lack of it), divorce, work, asking for and accepting help, dealing with emergencies, dating, and the sheer panic of being the sole parental caregiver and provider, are all discussed in this single mom's journey of survival. Author Catherine Green is the single mother of two wonderful kids. This impactful book started as a journal and grew into a book that will hopefully help other single parents.
