UFO: THE SEARCH CONTINUES is Pat Regan's second book on the astonishing UFO phenomenon. In this exclusive study, Pat Regan continues on from where his successful last book on this subject, UFO: THE SEARCH FOR TRUTH, left off. Once again Pat Regan has collected numerous bizarre UFO and Alien reports from around the globe and presented them in a logical yet easygoing fashion. UFO witnesses have had their sightings and experiences recorded in detail and with respectful accuracy by the author. Pat Regan makes no one-sided pronouncements about the matters at hand and leaves the reader to make up their own mind about strange things that many people have witnessed. UFO: THE SEARCH CONTINUES does not attempt to focus on any one particular UFO event but instead provides food for thought and debate in relation to the many true stories within. UFO: THE SEARCH CONTINUES is not fiction but facts gathered from the international community. "This is a 'just the facts, ma'am' book on UFOs, concentrating on the sightings themselves. Pat Regan has scoured the world for fascinating UFO stories and tells them in a straightforward, no nonsense manner. If you want the raw data (and you should), this well-written and intriguing book is well worth your time." Nick Pope Ministry of Defence UFO Project, 1991-1994
