Valkyrie on Planet Fury: A Novel with Gravitas Lynne Murray

A forbidden love. An impossible mission. A planet where death lurks at every turn. Sybil of Planet Valkyrie can't go home until she confronts the rulers of Planet Fury, where assassination is a popular pastime. The Furies demand that Sybil tap the powers of her familiar demons to find an answer that may not exist—or die trying. Praise for the Sybil of Valkyrie - Gravitas Series: "A truly masterful blending of new fantasy with the most ancient of myths." Denise Kelly LeBlanc, author of *Inheritance* "It was good to laugh so much. I found Sybil wonderfully written, clever, and powerful." S. Anderson on Amazon "A thoroughly enjoyable read!" Karen J. Mossman, author of *The Secret* "Weaves Greek and Norse mythology into an action-packed tale with visionary ideas, hilarious wit and sexy fun." Jaqueline Girdner, author of the Kate Jasper mysteries "A heady blend of science fiction and erotic fun, satire and mind-thrilling and chilling detail." Frannie Zellman, author of *The Fatland Trilogy*
