For centuries mankind has been wrestling with 3 major questions: Where have we come from? Why are we here? Where are we going? Numerous attempts have been made to answer these questions, often with unsatisfactory results. This book presents answers to these critical questions by looking at what the Bible has to say. In particular it focuses on the continuing war of the ages between God and Satan and the role that conflict between good and evil has played in man's history--past and present--with a fascinating glimpse at what is yet to come. If you have ever wondered what on earth God is doing, this is a good place to find the answer!
