After Eve: [Conte Philosophique] Dennis Siluk

Says the author: "This story will bring you deep into it: make you live it " it transcends Evolution and Creationism to form a unique relationship with humanity. Beyond the myths of this world, resides pieces of truth, thus, forming this story, where boundaries are marked by no one. The author conjures up a gallant saga-science-fiction: where the 'Garden of Eve,' is in decay, and the inhabitants of the world are forming a New World Order. [From the book, Death on Demand, by Mr. Siluk]: says author E.J. Soltermann-Healing from Terrorism, Fear and Global War, "The Dead Vault: A gripping tale that sucks you deep through human emotions and spits you out at the end as something better." In a like manner, After Eve, holds the same truths. Mr. Siluk, being a world traveler, a lover of the mysteries around the world, has visited many World Heritage Sites; recently, he visited the most remote island in the world, 'Easter Island,' where Kevin Costner made his movie: Rapa Nui, there he stands, the author, with Charlie Love, Geologist, Archeologist; and Grant McColl, Anthropologist, June, 2002. The author felt this would be a most befitting picture for such an intriguing story.
