## **Disability in Film and Literature** Nicole Markoti?

Literary and filmic depictions of the disabled reinforce an "ableist" ideology that classifies bodies as normal or abnormal--positive or negative. Disabled characters are often represented as aberrant or evil and are isolated or incarcerated. This book examines language in film, fiction and other media that perpetuates the representation of the disabled as abnormal or problematic. The author looks at depictions of disability--both disparaging and amusing--and discusses disability theory as a framework for reconsidering "normal" and "abnormal" bodies.

You can spend your personal spend time to read your book. Try to make relationship with all the book Disability in Film and Literature. You never feel lose out for everything when you read some books.

#### **Randy Hunter:**

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Disability in Film and Literature can make you sense more interested to read.
