What is the machine that J.R Black and his cousin Helaina Marie Unity Built? Who are the Chin brothers? And how are they connected to Unity? Can J.R and Helaina keep their secrets? Can they stop the world's most wanted Terrorist? Can they control their super powers? And who is the Captain? And why is he haunting them? And what are the strange gifts he gave them, and why are they important for our two teenage hero's. Can they trust the Captain? And where in the universe is the Captain leading them towards? These questions, and many more, are answered in this edition of the Hidden World series. But the more questions J.R and Helaina find the answers to, it seems, the more question arise, and the puzzle becomes much bigger and complicated than they anticipated. But they now know exactly who they are, and what they must do, and their biggest hurdle is convincing their Elders to trust them. Because the fate of the world is in their hands and they have to save it their way, and make sure that the circle of knowledge isn't broken, so new circles can survive. Our two sixteen year old, time traveling, aliens, with super powers, a ship full of cool gadgets, and the support of family and friends believe they can do anything have a lot on their plate. They finish building the machine which they call the "Jewel Machine" and discover it is a time traveling device. Just as they reveal this to their family and Elders Helaina has a vision that leads them on an adventure to stop terrorist who threaten a new power source for the world. But first they have to test drive their new toy and have a bit of fun in the process.
