Each image within these three new titles features creative interpretation and intricate details by Min Heo, the talented illustrator of AMMO's Paris and New York series as well.

How to play:

For younger children, play with nine pairs or fewer. For a more challenging game, geared toward older children and adults, play with all thirty-six pairs. Mix and spread cards face down. Players take turns flipping any two cards up. If cards match, player continues. If cards do not match, player's turn ends and cards remain in the same position. When all cards are matched, player with the most pairs wins.
