For richer or poorer, in sickness or in health, you and your partners will meet again and again, over many lifetimes, until you work out the kinks. There's just no way to skirt the issue - your soul needs relationships to evolve. This is the law of relationships, and in this classic work author Jeffrey Wolf Green clearly illustrates the evolutionary and karmic progression of two people throughout many lifetimes. By incorporating past-life dynamics with modern astrology, Green creates a powerful new paradigm ... evolutionary astrology. Pluto: Volume II elucidates Green's theory that once you understand your past life dynamics, symbolized by Pluto, you will be able to focus on key astrological principles and methods that propel you forward. If you're tired of making the same mistakes again and again... isn't it time that you resolve to evolve?
