The Cheerleader Spreads All: Jessie's Extra-Physical Education Anonymous

Jessie sat in her desk, looking adorable, feeling excited by the handsome teacher. He must be about forty, she thought. He had rugged good looks, a good strong physique. She thought about her experience at the motel, how she had showed off for the man with the camera, and she wondered if she could show off in class a little.

She crossed her legs. She swung one leg over the other and wiggled it. She leaned back in the desk so her tits bulged out of her sweater.

She caught Mr. Sanderson looking at her with intense eyes. She liked that. She liked older men looking at her. It excited Jessie. She got all hot between her legs. She uncrossed her legs, made sure she held the top one up for a moment, so she could let the teacher look up her skirt if he wanted to.

He wanted to.

He looked straight up to her pink panties, then shifted his gaze away and continued lecturing.

When eighteen-year-old vacationing Jessie spies a much older man taking her pictures as she sunbathes at the hotel pool, it send shivers of anticipation through her nubile body. Hot bodied and horny, she plays to the voyeur's attentions as she spreads her legs that bit more inappropriately than would otherwise be expected of a family resort resident. But what will she do when Mr. Tyler comes knocking on her hotel door and suggests they meet for a mutual stimulation session? Will she dare sneak out on her parents and go to his room?

What follows is an extremely lascivious display of utmost debauchery as our inexperienced but curious college gal bares all her charms to her knowing admirer. It is not long before matters go further and she feels the first touch of a man. And with this sexual awakening she returns to college intent on exploring more mature men, especially her literature professor Mr. Sanderson.

Racy and raunchy and written in a deliciously unrestrained and graphic prose, and featuring older-men/younger-women ruttings, group-menages, mutual stimulation and gamahuching, and all manner of libidinous deed in-between, this hot and horny cheerleader is about to get an extremely physical education.

Sherry Nicholson:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Cheerleader Spreads All: Jessie's Extra-Physical Education can make you

truly feel more interested to read.
